Case No. 08 CV 4867

Dear Judge Castel:

We represent Plaintiff Condé Nast in the above captioned matter which was removed from the Supreme Court, New York County, on May 27, 2008.

As per Andrew Bokser's conversation with Chambers, I am submitting a written request to adjourn the above-captioned pre-trial conference scheduled for July 18, 2008 until September 4, 2008. We are also asking for the Defendant's extension of time to answer the complaint and the deadline for the Court's directing counsel to submit a joint letter with respect to the issues and defenses to be adjourned for a similar period. This request is made with consent of Defendant's counsel. This matter has been adjourned twice before on consent of the parties. OK

The reason for the request is as indicated in Alexander Tripp, Esq.'s letter to Your Honor on June 18, 2008 the parties are continuing in their settlement negotiations and are in fact moving forward. OK

The additional time requested herein takes into account the settlement negotiations as well as prescheduled summer vacation plans of counsel and the party, and will not prejudice either party by its delay. This request will not affect the parties obligations in connection with the initial pre-trial conference including submission of the joint letter as well as the proposed case management plan. Thank you for your consideration in this matter.

Respectfully submitted,

AAB/SRG/pjs
